## EXPERIENCE

### UX Design Co-op
Jan 2022 - Jan 2023

IBM • Austin, Texas

- Coordinated the update and **cross-organizational adoption** of the updated design critique process

- Designed the Watson Assistant demo site guidance panel, helped **ideate the foundational user journey**, and conducted 10 internal usability tests with insights

- Helped develop the initial Watson Orders owner/operater user journey and accompanying wireframes

### UX Designer
Nov 2019 - Jan 2022

Gestures • Remote

- **Led the design** of a brochure website for URGiving donation kiosks

- Designed wireframes, user flow, high-fidelity screens, and interactions with a heavy focus on **accessibility** for a healthcare smart display assistant device, Anton

- Created **100+ mockup screens** using Sketch for a video editing and sharing tablet app, OneDay

### UX Design Intern
Jan 2020 - Sep 2020

Headstorm • Addison, Texas

- Conceptualized and co-designed screens, interactions, and the user flow of Kurb, a city-planning mapping tool

- Conducted user interviews and insight gathering for a **Fortune 5 telecommunications company**

- Developed a virtual **human-centered design** workshop curriculum using Miro and Figma
